

Nothing In This World

Diamond Rio

Well since the day the world began
I know God has had a master plan
He made a sky to hold the sun
He made sands to hold the sea
He made hearts for never ending love
And he made you for me[Chorus]
No hurricane, no driving rain
Has our kind of power
No valley wide, no mountain slide
Can hold a love like ours
No ocean deep, no fire's heat
Can break a bond so true
Nothing, Nothing, Nothing in this world's
As strong as me and you Through all the days and darkest nights
Our love will be the guiding light
With every breath I take
And every day I'm awake
This love of ours will never fade
Until the end of time[Chorus] Oh, no love I know of,
Can hold me like you do[Chorus] Strong as me and you
As strong as me and you
