Sonic Youth

Here, there
Here, there
Down to the bottom and 'round on the bottom we goHere, there
Here, there
Down to the bottom and oh, what a bottom it isYou had soul
Uh, oh
Let it goHere, there
Here, there
Down to the bottom and 'round on the bottom we goHere, there
Here, there
Down to the bottom and oh, what a bottom it isUh, oh
You got a soul?
Let me goKiss beyond, kiss beyond the lips
Kiss beyond, kiss beyond my lipsOoh, I love youOoh, baby, baby
Kinda crazy, kinda hazy, kinda messy tooHere, there
Here, there
Down to the bottom and oh, what a bottom it isHere, there
Here, there
Down to the bottom and 'round on the bottom we goYeah, baby
Uh, oh
You know
I love you so
