

Don't Go to Strangers

[Andy Williams](#)

Build your dreams to the stars above
When you need someone true to love
Don't go to strangers, darling
Come to me Play with fire till your fingers burn
When there's no place for you to turn
Don't go to strangers, darling
Come to me For when you hear a call
To follow your heart
You'll follow your heart, I know
I've been through it all
For I'm an old hand
And I'll understand if you go So make your mark for your friends to see
But when you need more than company
Don't go to strangers, darling
Come to me
