

# Cable

## Reptar

Silent cable goes  
Witness every meaning lost  
Both hands watch together  
Silence follows, meaning lost  
Friend goes, then turns off  
Silence follows, meaning lost  
Both legs move together  
Image shifts, body walks  
Cable between your knees  
Trouble follows body bleeds  
Both hands lost together  
Pockets tremble, stomach kneads  
Two worlds, crushed together  
Palest feeling pheromones meet  
Both mouths feed each other  
What is cool and what is beat?  
Tide rolls in a little faster the bad things are behind  
I wanna be so fast I can dance with the waltzes in your mind  
The whole world lives, rubbing parts, Good things are divine  
I wanna see through that stuff, what is love?  
Restless in your life  
I wanna be yours  
I wanna be yours  
I wanna be yours
