Serpent Queen, Pt. 2

Goodnight Nurse

There's a rattle at the window, whoa,
All too familiar sound that i know,
She's back and she's ready to go,
Ready to take me back down below,
Everybody in the whole town knows,
She lives with a heart so cold,
But I'll stay, I'll stay,
I'll stay, I'll stayAnd if I hear her calling
I feared that I am falling
Now they all tried to warn me
Oh, No! She's ready to go
And if I hear her calling
I feared that I am falling
Now they all tried to warn me
Oh, No! She's ready to go
WhoaThere's a rattle at the window, whoa,
All too familiar sound that i know,
She's back and she's ready to go,
Ready to take me back down below,
Everybody in the whole town knows,
She lives with a heart so cold,
But I'll stay, I'll stay,
I'll stay, I'll stayAnd if I hear her calling
I feared that I am falling
Now they all tried to warn me
Oh, No! She's ready to go
And if I hear her calling
I feared that I am falling
Now they all tried to warn me
Oh, No! She's ready to go
WhoahI feel the sickness grow inside me,
But count the sky so she won't find me,
I feel the sickness grow inside me,
She can't find me,
Take my lifeOh, No! She's ready to go
Oh, No! She's ready to goAnd if I hear her calling
I feared that I am falling
Now they all tried to warn me
Oh, No! She's ready to go

And if I hear her calling
I feared that I am falling
Now they all tried to warn me
Oh, No! She's ready to goWhoah
