

Disease's Last Stand

Nobodys

People tell me everyday, "you better grow up and change your ways."
I tell 'em that i ain't gonna listen.
So you can stop your moanin' and pissin'.Fuck you, i'll do what i want.
Fuck you, i'll do what i want.
Fuck you, i'll do what i want.
Fuck you, i'll do what i want.Don't need your rules.
I don't play your games.
All you phonies are the fucking same.
I don't wanna be like you.
I'm gonna do what i wanna do.Fuck you, i'll do what i want.
Fuck you, i'll do what i want.
Fuck you, i'll do what i want.
Fuck you, i'll do what i want.
