

Jilted Lovers & Broken Hearts

Brandon Flowers

Is there anyone out there?
Somewhere i can belong?
The city just aint so kind tonight
I need a place to take refuge
Cos i've been loving you blind
I guess i made it hard for me to find
We were caught up in
The middle of a wornout dream
I knew we were in trouble...

But baby i almost screamed when
I saw you dancing on the?
I watched him spin you round and round
Why did you roll your dice
Show your cards
Jilted Lovers and Broken Hearts
You're flying away while
Im stuck here on the ground...

Is there anyone out there?
Somewhere i can belong?
The city just aint so kind tonight
And if i had my suspicions
I kept that out of my heart
Just wish i had known right from the start
That you'd be speaking in riddles
And you'd never come by
I knew we were in trouble but...

Honey i almost cried when
I saw you dancing on the?
I watched him spin you round and round
Why did you roll your dice
Show your cards
Jilted Lovers and Broken Hearts
I dont win and im still
Waiting to be found...

You did a fine job of hiding
That crooked ace up your sleeve

You doubled down in my direction
You kissed me on my cheek?
I followed you through the darkness
I followed you through the cold
Woman i can tell you one thing
You're gonna wish you could
Go back and fold...

Why did you roll your dice
Show your cards
Jilted Lovers and Broken Hearts
You're flying away while
Im stuck here on the ground...

Why did you roll your dice
Show your cards
Jilted Lovers and Broken Hearts
I dont win and im still
Waiting to be found...

Will i ever win
Only time will tell
You got something to remember?
All I really did was pass the time
And thats the bottom line
Jilted Lovers and Broken Hearts...

Is there anyone out there?
Somewhere I can belong
Man, the city just stayed so kind,
Tonight...

I need a place to take refuge
See, I been loving you blind
And I guess that made
It hard for me to find...

Now we were caught up in
The middle of a worn out dream
I knew we were in trouble but baby,
I almost screamed
When I saw you dancing
On the moon now
I watched him spin you round and round
Why did you roll your dice?
And show your cards?

Jilted lovers and broken hearts
You're flying away,
While I'm stuck here on the ground...

Is there anyone out there?
Somewhere I can belong
Man, the city just stayed so kind
Tonight...

And if I had my suspicions
I kept them out of my heart
Just wished I would of known
Rright from the start...

That you'd be speaking in riddles
And you're never coming back
You know I know we were in trouble but honey,
I almost cried
When I saw you dancing
On the moon now
I watched him spin you round and round
Why did you roll your dice?
And show your cards?
Jilted lovers and broken hearts
You're out on the wind and
I'm still waiting to be found...

You did a fine job of hiding
That crooked ace up your sleeve
You doubled down my direction
You kissed me on the cheek and leave
I followed you through the darkness
I followed you through the cold
Woman, I will tell you one thing
You're gonna wish you
Could go back and fold...

Why did you roll your dice?
And show your cards?
Jilted lovers and broken hearts
You're flying away,
While I'm stuck here on the ground...

Why did you roll your dice?
And show your cards?
Jilted lovers and broken hearts

You're out on the wind and
I'm still waiting to be found...
