

Will You Be My Girl (feat. Myron Glasper)

The Lions

(Horns)

VERSE1 -

I'm not a gamblin' man,
I've got to show my hand
So many girls have come and gone,
they just don't understand me
Maybe we can take a walk and see...
what it's like just you and me?

Pre-Chorus -

So roll the dice on me, baby
Cause i'm a winning bet

CHORUS-

Will you be my girl? Will you be my world?

VERSE2 -

And when the skies aren't blue,
I'll be there for you
When they play their wicked games,
You know my role won't change

Pre-Chorus -

So roll the dice on me, baby
Cause i'm a winning bet

CHORUS-

Will you be my girl? Will you be my world?

BRIDGE-

I know you've been treated bad
They played you for a fool
Let me whisper in your ear

I will love you forever, girl you know it's true

(Horn solo)

Pre-Chorus -

So roll the dice on me, baby
Cause i'm a winning bet

CHORUS-

Will you be my girl? Will you be my world?
