

Metal Racer (with Doro Pesch)

Warlock

Racing down on the motorway
No rest, no place to stay
He calls it running out of time
Got no place in society
Forever fought the Philistines
He forever walked upon his line Outside of the law
An eternal war
No-one can hold him back
Ready to attack He's a damned - racing through the night
He's a damned - will never see the light
He's a damned - darkness in his eyes
He's a damned - but metal racer never dies Don't care what other people say
Be what you are, take the hotter way
Don't be a madman, don't give up Take this heavy sound into your brain
So it's easier to break the chain
'Cause heavy metal knows no stop Outside of the law
An eternal war
No-one can hold him back
Ready to attack He's a damned - racing through the night
He's a damned - will never see the light
He's a damned - darkness in his eyes
He's a damned - but metal racer never dies He's a damned - racing through the night
He's a damned - will never see the light
He's a damned - darkness in his eyes
He's a damned - but metal racer never dies He's racing down the motorway
No rest, no place to stay
He calls it running out of time Got no place in society
Forever fought against the Philistines
Forever walked upon his line Outside of the law
An eternal war
No-one can hold him back
Ready to attack He's a damned - racing through the night
He's a damned - will never see the light
He's a damned - darkness in his eyes
He's a damned - but metal racer never gonna die!
