

Gabriel (Peach Melba Remix)

Joe Goddard

He's falling, he's falling, he's falling, ** all down

He's falling, he's falling, he's falling, ** all down

He's falling, he's falling, he's falling, ** all down

He's falling, he's falling, he's falling, ** all down

He's falling, he's falling, he's falling, ** all down

He's falling, he's falling, he's falling, ** all down

He's falling, he's falling, he's falling, ** all down Gabriel, Gabriel

Gabriel you've gone too far

Gabriel you've gone too far and you should hang your head in shame

For these wounds I cannot stay, you've gone too far

You've broke my heart, you've gone too far Verse 1:

Wide awake and I can hear my heart beat

Hopes it cradles me and rocks my bones to sleep

Protector in the light and a stranger in the dark

And he don't say anything more

Bound by suffocating secrets I must keep Gabriel you've gone too far

Gabriel you've gone too far and you should hang your head in shame

For these wounds I cannot stay, you've gone too far

You've broke my heart, you've gone too far Verse 2:

The sum of all the parts that you have taken

Are a fraction of the parts that make me whole

He was stronger than I was but it's strength you can't sustain

Do not come to give me counsel you should beg forgiveness

Of me Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel,

For he was stronger than I was but it's strength you can't sustain

Do not come to give me counsel you should beg forgiveness

Of me Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, Gabriel, He's falling, he's falling, he's falling, he's

falling, all down

He's falling, he's falling, he's falling, he's falling, all down

He's falling, he's falling, he's falling, he's falling, all down

He's falling, he's falling, he's falling, he's falling, all down

He's falling, he's falling, he's falling, he's falling, all down

He's falling, he's falling, he's falling, he's falling, all down

He's falling, he's falling, he's falling, he's falling, all down.
