If I Back It Up

NELLIE TIGER TRAVIS

ah yeh
wooooooo
i've been dancin' in this club, baby
all night long
you've been sittin' over there
staring at me like something's wrong
I heard you holler "back it up"
you gave me that sexy smile
baby ya sure look good to me
and i like ur style.....
if i back it up, whatcha gonna do?
if i put it on ya baby whatcha gonna do?
x2
Baby, you are more than welcome to come out here on the dance floor
come show me what u workin' with
show me how low you can go
now you want me to back it up
baby are you serious
tell me can you handle this
'cause baby i'm curious
if i back it up, whatchoo gonna do?
if i put it on ya baby whatchoo gonna do?
x2
Now come tell me whatcha workin' with
ah yeh, i like it like that
i think you got something there baby
come on get a little closer
yeh, i like it like that
if i back it up, whatchoo gonna do?
if i put it on ya baby whatchoo gonna do?
