Hard Habit to Break

All-4-One

I guess I thought you'd be here forever
Another illusion I chose to create
You don't know what you got until it's gone
And I found out just a little too lateI was acting as if you were lucky to have me
Doin' you a favor I hardly knew you were there
But then you were gone and it all was wrong
Had no idea how much I caredNow being without you
Takes a lot of getting used to
Should learn to live with it
But I don't want toBeing without you
Is all a big mistake
Instead of getting easier
It's the hardest thing to take
I'm addicted to you babe
You're a hard habit to breakYou found someone else you had every reason
You know I can't blame you for runnin' to him
Two people together but living alone
I was spreading my love too thinAfter all of these years
I'm still tryin' to shake it
Doin' much better they say that it just takes time
But deep in the night it's an endless flight
I can't get ya out of my mindNow being without you
Takes a lot of getting used to
Should learn to live with it
But I don't want toBeing without you
Is all a big mistake
Instead of getting any easier
It's the hardest thing to take
I'm addicted to you babe
You're a hard habit to breakI can't go on, just get, go on
I can't go on, just get, go onBeing without you
Takes a lot of getting used to
Should learn to live with it
I don't want toBeing without you
Is all a big mistake
Instead of getting any easier
It's the hardest thing to takeI'm addicted to you
You're a hard habit to break
Such a hard habit to breakI'm addicted to you

You're a hard habit to break
Such a hard habit to break
I'm addicted to you baby
