

# I Do It for Your Love (3rd Set)

**Bill Evans**

We were married on a rainy day  
The sky was yellow  
And the grass was gray  
We signed the papers  
And we drove away  
I do it for your loveThe rooms were musty  
And the pipes were old  
All that winter we shared a cold  
Drank all the orange juice  
That we could hold  
I do it for your loveFound a rug  
In an old junk shop  
And I brought it home to you  
Along the way the colors ran  
The orange bled the blueThe sting of reason  
The splash of tears  
The northern and the southern  
Hemispheres
