

Johnny Belinda (Oliver Rado 'Slow It Down' Remix)

Active Child

I came home
In the morning
Just a little bit ago You lie asleep
In our bed
All twisted in your clothes And the rain came down
On our rooftop
In a rhythm like this Let the hair stand up
On my shoulders
When you open your mouth You say aaoohh
Say aaoohh So I wrote you a letter
Wedged into my forearm
With the pen that you gave me 'Cause if there's one thing that I mustn't face
This is permanent
This is permanent Wish that I was strong enough
Wish that I could give it all
Wish that I could change enough
To be yours Wish that I could give it all
Wish that I was strong enough
Wish that I could change enough
To be yours Wish that I was strong enough
Wish that I could give it all
Wish that I could change enough
To be yours Wish that I could give it all
Wish that I could change enough
Wish that I was strong enough
To be yours
