

Neurobashing

Front 242

Pull up
Pull down, yeah!Cool off
Cool down, yeah!Put the pain out of me, yeah!Cool off
Cool up
Jan up, yeah!Jezebel spirit...Heh, eh, eh
I got to tell it yeah!
I've got to tell it, take it down!
Your father won't tell it...
If I don't tell itI'm gonna be ready
Cool off
Cool down, yeah!Do insist
I'm gonna be ready!
