Project Wakeup

I See Stars

Don't make me say this twice
You know I'm right
It's time
It's time to wake up
I can't stress this enoughYou stare at me like I don't care
I just don't want to fall asleep To another nightmare
To another nightmareWhatever helps you sleepI don't have any intentions
Of spinning you from this direction
So live on and don't ask any questionsYou say that everything's okay,
But is everything really okay?
I don't think that everything's okayYou stare at me like I don't care
I just don't want to fall asleep To another nightmare
To another nightmareNo
The revolution is now
