

# Second Nature

## New Wave Syria

Second nature  
Second nature Why does love always seem so very hard  
It's such a struggle to win the reward  
Because I'm playin' with the wrong cards  
But I think I got the winnin' hand  
There's something different about you, babe  
That tells me I can I say it's easy for the things that I do  
Never a question, always a pleasure to  
Love you, love you, love you Baby, I won't say no  
The love that you give is so  
Abound and I can't let go of this love It's so natural, so natural to give my love  
It's so easy, easy like second nature  
It's so natural, so natural to give my love  
Like no other, easy like second nature Baby  
Baby Thinkin' of you is the breath that I take  
Just for your love I can't wait  
I could never think twice  
It wakes me up in the mornin'  
And in the middle of the night  
And with a smile on my face, I'm ready Baby, I won't say no  
Your love that you give is so  
Abound and I can't let go of this love It's so natural, so natural to give my love  
It's so easy, second nature  
It's so natural, so natural to give my love  
Like no other, second nature It's so natural, so natural to give my love  
It's so easy, second nature  
It's so natural, so natural to give my love  
[Incomprehensible] second nature Second nature  
It's so natural, baby  
To give you all my love, yeah  
And if you want it then you got it, baby Second nature  
Second nature  
Second nature
