

Kiss, Kiss

Holly Valance

When you look at me tell me what do you see
This is what you get, it's the way I am
When I look at you I wannabe, I wannabe
Somewhere close to heaven with Neanderthal man
Don't go, I know you want to touch me
Here there and everywhere
Sparks fly when we are together
You can't deny the facts of life
You don't have to act like a star
Try your moves in the back of your car
Don't you know that we can go far
Because tonight you gonna get my
Don't play the games that you play
'Cause you know that I won't run away
Why ain't you asking me to stay
Because tonight I'm gonna give you my
You could be my baby, what's your star sign?
Won't you take a step into the lion's den?
I can hear my conscience calling me, calling me
Say I'm gonna be a bad girl again
Why don't you come on over
We can't leave this all undone
Got the devil on my shoulder
There's no place for you to run
You don't have to act like a star
Try your moves in the back of your car
Don't you know that we can go far
Because tonight you gonna get my
Don't play the games that you play
'Cause you know that I won't run away
Why ain't you asking me to stay
Because tonight I'm gonna give you my
If you forget I'll remind you
If you're paranoid I'm behind you
If you lose your head I'll find you
Sending you my kiss
If you forget I'll remind you
If you're paranoid I'm behind you
If you lose your head I'll find you
Kiss kiss
Don't go
I, I
I, I
Oh yeah
You don't have to act like a
Try your moves in the back of your
You know that we can go far
Because tonight you gonna get my
You don't have to act like a star
Try your moves in the back of your car
Don't you know that we can go far

Because tonight you gonna get my Don't play the games that you play
'Cause you know that I won't run away
Why ain't you asking me to stay
'Cause tonight I'm gonna give you my You don't have to act like a star
Try your moves in the back of your car
Don't you know that we can go far
Because tonight you gonna get my Don't play the games that you play
'Cause you know that I won't run away
Why ain't you asking me to stay
Because tonight I'm gonna give you my
