

# There's No Other Way (Single Version)

Blur

You're taking the fun out of everything  
And making me run when I don't want to think  
You're taking the fun out of everything  
I don't want to think at all There's no other way  
There's no other way  
All that you can do  
Is watch them play There's no other way  
There's no other way  
All that you can do  
Is watch them play You're taking the fun out of everything  
You're making it clear when I don't want to think  
You're taking me up when I don't want to go up anymore  
I'm just watching it all There's no other way  
There's no other way  
All that you can do  
Is watch them play I'll watch you play  
I'll watch you play There's no other way  
There's no other way  
All that you can do  
Is watch them play There's no other way  
There's no other way  
All that you can do  
Is watch them play There's no other way  
There's no other way  
All that you can do  
Is watch them play There's no other way  
There's no other way  
All that you can do  
Is watch them play
