Don't Say Things You Don't Mean

Lynn Anderson

Don't promise me you love me then go and leave me blue
Don't say I mean the world to you unless I really do
Don't flower up the things you say to make my life a dream
Unless you really love me don't say things you don't mean
Don't let me feel your loving arms and then push me away
Don't talk about forever if you don't plan to stay
Don't tell me that you'll be my king or that I'll be your queen
Unless you really love me don't say things you don't mean
Don't let me build my world around a dream that won't come true
Can't you see that everything I do is just for you
Don't flower up the things you say to make my life a dream
Unless you really love me don't say things you don't mean
Don't let me build my world around...
