Oya

The Isomers

Oya tell me what you see
When you close your eyes and Count down from three
Do you envision a better place for you and me
Or do you give up on our sweet fantasy

Letâ€™s now begin
Our thoughts are only limits
Yeah itâ€™s time to dream
Donâ€™t remember what seems
Oya tell me you see a dream
Tell me you believe x3
Oya oya oya

Oya tell me what you see x4
When you close your eyes and Count down from three
Do you envision a better place for you and me
Or do you give up on our sweet fantasy

Gently tender your destiny to fire
To believe is to live as you jump into the fire
Gently tender o gently tender eh
To believe is to live as you jump into the fire

Oya tell me what you see
When you close your eyes and Count down from three
Do you envision a better place for you and me
Or do you give up on our sweet fantasy
