

Died

Alice in Chains

I could climb until I reach where angels reside
Ask around to find out where the junkies applied
You just up and left me on this rock all alone
It's my fault for knowing not what I should have knownOhh
My heart is dried up, beating slow
Ohh
It's been deflating since you died
Died
Since you died
You diedI could drop until I touch the sinister side
Visit all attractions, flippin' back and aside
Still you leave me rotting on this rock all alone
It's my fault for knowing not what I should have knownOhh
My heart is dried up, beating slow
Ohh
It's been deflating since you died
Died
Since you died
You diedOhh
My heart is dried up, beating slow
Ohh
It's been deflating since you died
Died
Since you died
You diedI could climb until I reach where angels reside
I could drop until I touch the sinister sideOhh
My heart is dried up, beating slow
Ohh
It's been deflating since you died
Died
Since you died
You diedDied
You died
Died
You died
