Give Until There's Nothing Left

Relient K

No one told me
The right way
The right way to go about this
So I'll figure it out for myself
Cause how much
Is too much
To give you
Well I may never know
So I'll just give until there's nothing else

Yeah I'll give give give (until there's nothing else)
Give my all (until it all runs out)
Give give (and I'll have no regrets)
I'll give until there's nothing left
I'll give

No one told me
How bad I need you (need you)
But I somehow arrived
To that conclusion all by myself (all by myself)
And I want
All you have to offer (to offer)
So I offer myself and I'll just give until there's nothing else

And I'll give give give (until there's nothing else)
Give my all (until it all runs out)

Give give (and I'll have no regrets)
I'll give until there's nothing left to
Give give give (until there's nothing else)
Give my all (until it all runs out)
Give give (and I'll have no regrets)
I'll give until there's nothing left

Sometimes it seems
Like all I ever do
Is ask for things
Until I ask too much of you
But that's not the way (that's not the way)
I wanna live (I wanna live)

I need to change (I need to change)
But something's got to give
Yeah something's got to

Give give give (until there's nothing left)
Give my all (until it all runs out)
Give give (and I'll have no regrets)
I'll give until there's nothing left to give
Give give give (until there's nothing left)
Give my all (until it all runs out)
Give give
Give until there's nothing left
I'll give
