I Was Looking For Someone To Love

Leif Garrett

I told myself when you smiled at me
This time it's gonna be forever
I didn't know you would hurt me so
But from the very start
You are the one who would break my heartCoz I was looking for someone to love
And oh the heartaches I found
But you were just looking aroundYou led me on pretending you could care
Promising the love we'd share together
I've closed the door, can't take it anymore
Love will never be the same
Love will never be the same
You turned it around and you made it a game
