Breathe

Wolfheart

When sorrow calls my name
And grief runs in my veins
Can I begin
The bleedingWhen air becomes a pain
And it hurts to inhale
Can I just stop
Cease breathingA shriek from the void
Exhales the words
Painted to be seen
Screams from withinSpeaks softly, howls aloud
Rushing forward like a tide
Drowns like a flood
Buries insideVaikka aurinko jo nousi
Ja valossa kylpee maa
JÃ¤Ã¤ minussa ei murru sillÃ¤ sisallani on vain pimeÃ¤Ã¤ ja kylmÃ¤Ã¤
