Behave yourself baby and i will be back
Behave yourself baby and i will be back
Behave yourself baby and i will be back, now
Baby Love, your not the only thing im dreaming of
Baby Love, your not the only thing im dreaming of

Baby Love, your not the only thing im drinking for
Baby Love, your not the only thing im drinking for

All i want from you is the skin you live within
All i want from you is the skin you live within
All i want from you is the skin you live within
All i want from you is the skin you live within
