

Love Story

Jethro Tull

Going back in the morning time
To see if my love has come around, yeah
Going back in the morning time
To see if my love has come around, yeah I know what I will find
That she is wasting time
She could be picking roses
Going back in the morning time
To see if my love has seen the light, yeah
Going back in the morning time
To see if my love has seen the light, yeah Oh, I told her last night
She should improve her sight
She could be painting the roof
Going back in the morning time
To see if my love has come around, yeah
Going back in the morning time
To see if my love has come around, yeah She offered me no sound
Her head is in the ground
She could be calling for winter
