

# I Wish You'd Die

## Betty Blowtorch

I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
Die, die, die mohterfucker, dieAll the lies that you tell  
We hope you fucking burn in hell  
Hand yourself from a tree  
You won't get our sympathyI wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
Die, die, die motherfucker, dieWhen you're laying alone in your bed  
Even you wish you were dead  
Stick your head into a gas stove  
Light a match and watch it blow  
Kapow!Star light, star bright  
(Wish you'd die)  
First star I see tonight  
(Wish you'd die)  
I wish I may, I wish I might  
(Wish you'd die)  
Put you in a ditch tonight!I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
I wish you'd die, slowly  
Wish you'd die  
Die, die, die motherfucker, dieWe hope you die a painful death  
Die motherfucker, fucking die  
Die, die, die, die, die, die, die, die
