

Open Your Heart

The Human League

And when it hurts you know they love to tell you
How they warned you
They say, "Don't be surprised at someone's lies"
They think, they taunt you But if you can stand the test, you know
Your worst is better than their best And so you stand here with the years ahead
Potentially calling
With open heart or with a spirit dead you walk on Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart Dare to feel
Take the chance
Make the deal Being an island
Shying from trying
Seems the easy way
Such an easy way
But there's no
Future without tears Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart Dare to feel
Take the chance
Make the deal But if you can stand the test, you know
Your worst is better than their best Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart Lies the reason
Faith or treason
Playing a part

End concealing
Try revealing
Open your heartLies the reason
Faith or treason
Playing a part
