

Raging Fire

Dr. Tumi

Your love is like an ocean
Like it's crashing waves
You pour it out on us
Your love is like the wind
That blows so strong
It blows all fear away

Your love is like a raging fire
Shut up in my bones
The joy that it brings
Is never ending
Keeps on flowing within

I am sold out to you Jesus
All I am is yours
Forsake all others Lord
To follow Jesus

Your love Lord has endureth
Unchanging never failing
Through endless years
It remains the same

Your love Lord is relentless
Like a wind that lifts me up
Your goodness and mercy
Shall follow me

Your love warms my heart
And brings perfect peace
I am at no need
Since I met Jesus

Your love makes me strong
Casts all fear away
I am at no need
Since I met Jesus
