

Diamond Eyes

Deftones

To the edge
Till we all get off
I will take
You away with me
Once and for all Time will see us realign
Diamonds reign across the sky
Shower me into the same
Realm Calculate, I'll embrace
Hold on
(Come with me now)
Right away
Outer space with me Time will see us realign
Diamonds reign across the sky
Shower me into the same
Realm Time will see us realign
Diamonds reign across the sky
I will lead us to the same
Realm When the coffin shakes
And the needle breaks
Come right away with me
Come on, you're sick?
Once and for all Time will see us realign
Diamonds reign across the sky
Shower me into the same
Realm Time will lead us to the same
Realm
I will lead us to the same
Realm
