

Familiar Fire

Yodelice

Familiar Fire
Blazing the ashes of my pain
Feelings unwired
My frozen blood runs free again Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again Lasting desire
Bursting the dam from deep within
Electric fire
Unquenchable thirst for your skin Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again Time is a liar
Just when I thought I'd walk away
Love is riding high
My feelings shifted their own way Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again Time is a liar
Just when I thought I'd walk away
Love is riding high
My feelings shifted their own way Is it forever
Is it the truth before our death
Once in my fever
I think of you holding my breath Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again Time is a liar
Just when I thought I'd walk away
Love is riding high
My feelings shifted their own way Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again
