

That Ole Devil Called Love

Billie Holiday

It's that ole devil called Love Game
Gets behind me and keeps giving me that shock again
Put a ring in my eyes
Tears in my dreams
And rocks in my heart It's that sly ole sun of a gun again
He keeps telling me that I'm the lucky one again
But I still have that ring
Still have those tears
And those rocks in my heart Suppose I didn't stay and ran away, wouldn't play
That devil what a potion he would brew
He'd follow me around
Build me up, tear me down
Till I'd be so bewildered
I wouldn't know what to do Might as well give up the fight again
I know darn well he'll convince me
And that he's right again
When he sings that siren song
I just gotta tag along
With that ole devil called Love He'd follow around
Build me up, tear me down
Till I'd be so bewildered
I wouldn't know what to do Might as well give up the fight again
I know darn well he'll convince me
And that he's right again
When he sings that siren song
I just gotta tag along
With that ole devil called Love
With that ole devil called Love
