

# That Time of Year

## Vinnie Vincent Invasion

(Vinnie Vincent)

I wanna stay girl it hurts I know

But the time has come to find my dreams of glory

It hasn't been easy babe--hard times we know

But I gotta know the ending of my story

Oh it's my challenge, it's my right

And my will's too strong to fight

I don't wanna say goodbye 'cause I love you

CHORUS

But it's that time--that time of year

To follow that midnite sun

That time of year

My ramblin' heart's gotta run

Wherever it takes me I'll ride that wind

To my rainbows end but I'll be back again

I wanna hear you say it girl: that you understand

If I had my wish you'd be by my side
