## KIDZ BOP Kids

I know what you came here to see  
If you can dance, then you're dancing here with me  
And I know what you came here to do  
Now come on over let me see you just.it's it's  
It's going down for real  
It's going down for real  
It's going down for realYou girls dressed to twirl  
I do hot kicks  
Shake for a shake  
I'm throwing these hands in the sky  
Spinning this As-salamu alaykum  
Peace to M.O.N.E.Y  
I love the beaches, south beaches  
Surfboard and high tide  
I could just go up  
'Cause I'll show up  
So that birthday cake could warm up  
Buggati for real, I'm cold bruh  
That auto-biography rover  
Got the key to my city it's over  
It's no game, only Anna Kournikova  
I said rackets, rackets hold up  
(I said rackets, rackets hold up)I know what you came here to see  
If you can dance, then you're dancing here with me  
And I know what you came here to do  
Now come on over let me see you just it's it's  
It's going down for real  
It's going down for real  
It's going down for real  
It's going down for real  
It's going down for realLift it, drop it, shake it, pop it  
Lift it, drop it, shake it, pop it  
Lift it, drop it, shake it, pop it  
Lift it, drop it, shake itIt's going down for real  
It's going down for real  
It's going down for real  
It's going down for realIt's going down for real
