

Many Rivers to Cross (From "Harder They Come")

[Jimmy Cliff](#)

Many rivers to cross
But I can't seem to find my way over
Wandering I am lost
As I travel along the white cliffs of DoverMany rivers to cross
And it's only my will that keeps me alive
I've been licked, washed up for years
And I merely survive because of my prideAnd this loneliness won't leave me alone
It's such a drag to be on your own
My woman left me and she didn't say why
Well I guess, I have to tryMany rivers to cross
But just where to begin, I'm playing for time
There are times I find myself thinking
Of committing some dreadful crime
