

Love Injection

Jody Watley

I've been watching you
Watching all the girls go crazy over you
Meet me on the floor
and let's talk about the special things you do
Give me what I want and I'll do
Just what you want me to do
'Cause tonight I'm hot
And you've got something I could really use

CHORUS

I need a love injection
a bit of your affection
Love injection
Won'tcha give it to me (uh) A love injection
To cure my infection
Love injection
Won'tcha give it to me Give me what I miss
Let me kill your kisses in the dark
Boy don't make me wait
Why must you keep me hangin' on
I'm not hard to please if you
Give me what I need from you
'Cause, baby I'm so hot
And I've got something you could really use.

I need a love injection a bit of your affection Love injection Won'tcha give it to me (uh) A love injection To
cure my infection Love injection Won'tcha give it to me I need a love injection a bit of your affection Love
injection Won'tcha give it to me (uh) A love injection To cure my infection Love injection Won'tcha give it to
me CHORUS Oh, C'mon, give me the satisfaction that I like
Oh yeah, I need a love injection tonight I need a love injection A bit of your affection Love injection Won'tcha
give it to me (uh) A love injection To cure my infection Love injection Won'tcha give it ne, oh (instrumental
break) CHORUS (repeat to fade out)
