

# Housewives Prayer

## Pistol Annies

I've been thinking about  
Setting my house on fire  
Can't see a way out of the mess I'm in  
And the bills keep getting higher  
All I need is a match and a gallon of gas  
God I'm getting tired  
Gonna set this house on fire I've been thinking about  
Going off the deep end  
My man can't get no overtime  
And the baby ain't been sleeping  
All I need is a washing machine  
These hands have gone fading  
I'm about to go off the deep end Ooh, ooh Well I've been thinking about  
All these pills I'm taking  
I wash them down with an ice cold beer  
And a love I ain't been making  
Oh, I feel like I'm burning up  
With words I ain't been saying  
And all these pills I'm taking Ooh, ooh I've been thinking about  
Setting my house on fire
