

Television Love

Lil Niqo

I can be yo Martin, you can be my Gina.

I can be yo Justin, you can be Selena.

(Its like we on tv)

No need for commercials.

I would never leave you. Baby girl I need you

(Television Love)

You could be my Marge and I could be yo Homer.

Baby let me show ya.

(Its like we on tv)

We got Television love. (aw, yeah)

This is my reality. Like a live camera show.

I could be yo Wiz, you could be my Amber Rose.

Just call me comcast. Im on demand fasho.

You got me gassed up like I hit a amaco.

Just wanna make you mine. I think I prolly should.

Give you the finer things. Take you to hollywood.

If I can only direct you. Lights. Camera. Action.

Take over the world. Baby I can imagine.

Cause everytime I leave, you say you miss me

You play Alicia Keys, and I be Swiss Beatz.

Or Nick and Mariah. Angelina and Brad.

Girl you chose me and Im glad.

I can be yo Martin, you can be my Gina.

I can be yo Justin, you can be Selena.

(Its like we on tv)

No need for commercials.

I would never leave you. Baby girl I need you

(Television Love)

You could be my Marge and I could be yo Homer.

Baby let me show ya.

(Its like we on tv)

We got Television love. (aw, yeah)

I love it when Im with you. Now here we go again.

Through the never Neverland

We hustle for real
We stacking them pennies
And we aint breaking up

Like Superman and Lois
We floating int h stars
Or maybe I can run the game like Jay
And you can be B like we on tv

I can be yo Martin, you can be my Gina.
I can be yo Justin, you can be Selena.
(Its like we on tv)
No need for commercials.
I would never leave you. Baby girl I need you
(Television Love)
You could be my Marge and I could be yo Homer.
Baby let me show ya.
(Its like we on tv)
