

I Will

Barbara Dickson

Who knows how long I've loved you
You know I love you still
Will I wait a lonely lifetime
If you want me to - I will And if I ever saw you
I didn't catch your name
But it never really mattered
I will always feel the same Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart
And when at last I find you
Your song will fill the air
Sing it loud so I can hear you
Make it easy to be near you
For the things you do endear you to me
You know I will
You know I will.
I will
You know I will
