Barbed Wire

Rachael Sage

This time when you came around
I only wanted to break you down
I only wanted to watch you come apartThis time when you came to call
I only wanted your guard to fall
I only wanted to shake your hidden heartCan you blame me, would you shame me I'm so
Sick and tired of all this waiting
Save me or disengage me I'm undignified
By all this ambivalence holding me back like barbed wireLast night when you took my hand
I only wanted to be quicksand
I only wanted to drown you with desireLast night when you touched my cheek
I only wanted to hear you speak
As tears fell down like liquid wildfire(chorus)Is your kiss a dangerous tempestuous twister
Are your eyes the howling wind or just a drafty door
