

Since You Asked

Natalie Cole

What I'll give you since you've asked
Is all my time together
Take the rugged sunny days
The warm and rocky weatherTake the roads that I have walked along
Looking for tomorrow's time, peace of mindAs my life spills into yours
Changing with the hours
Filling up the world with time
And turning time to flowersI can show you all the songs
That I never sang to one man beforeWe have seen a million stones
Lying by the water
You have climbed the hills with me
To the mountain shelterTaken off the days one by one
Setting them to breathe in the sunTake the lilies and the lace
From the days of childhood
All the willow winding paths
Leading up and outwardThis is what I give, this is what I ask you for
Oh, this is what I give, this is what I ask you for
Nothing more
