

# Our December

## thrivingivory

I could see snow cover hills  
You were walking, I was standing still  
I could feel the cold on my face  
And we were talking like always I could touch snow covered leaves  
You were walking closer to me  
I would play you a song out loud  
Yeah, we could sing it 'till the year runs out I remember streets covered white  
And I remember a long tonight  
Said our December will be littered with light  
And I see you walking to me We were holding future in hand  
A place to fly and a place to land  
Now our december will be sure to last  
I said there'll be no rush for the year to pass I remember streets covered white  
And I remember a long tonight  
Said our December will be littered with light  
And I see you walking to me I could see snow covered hills  
And all at once my heart is still  
I see you walking to me  
Yeah, I see you walking to me I remember streets covered white  
And I remember a long tonight  
Said our December will be littered with light  
And I see you walking to me I remember streets covered white  
And I remember a long tonight  
Said our December will be littered with light  
And I see you walking to me I see you walking to me
