

# Looking for Clues

David Arnold

It's crazy but I'm frightened  
By the sound of the telephone, oh yeah  
I'm worried that the caller  
Might have awful news, oh my Who knows these days  
Where on earth the money goes, oh yeah  
No doubt we could put it  
To a better use, oh my You keep insisting that nobody showed you  
How to keep relationships, oh yeah  
Your daddy made  
A real good try, oh my You said you knew all along  
We could work it out, oh yeah  
Do you have to make a fuss everytime we fly  
Oh, I'm looking for clues I have to make an effort now  
I just to be serious, oh yeah  
Nobodys gonna give you  
The benefit of the doubt, oh my Everytime I pick a paper up  
It's harder to believe the news, oh yeah  
I'm gonna have to shake it up  
And twist and shout, oh my You can't do nothing  
That you don't put your mind to, oh yeah  
I suspected all along  
You were a dream come true, oh my I'm never in the dark  
'Cause my heart keeps me well informed, oh yeah  
I'm convinced that there's a way  
Of getting through to you  
Ooh, I'm looking for clues It's crazy but I'm frightened  
By the sound of relationships, oh yeah  
I swear we could  
Put it to a better use, oh my Do hurry baby, you've forgotten  
How to catch a night groove, oh yeah  
You told all the callers you were not amused  
Ooh, I'm looking for clues You keep insisting that nobody showed you  
How to use a telephone, oh yeah  
Nobody's gonna give you  
A second chance, oh my I don't have to make an effort now  
To find out where the money goes, oh yeah  
Do you have to make a fuss everytime we dance  
Ooh, I'm looking for clues Ooh, I'm looking for clues  
Ooh, I'm looking for clues

Ooh, I'm looking for clues

...
