God Damn

Qba Libre

M1 2-7 watch out
La vida buena
Ahora bien en mi hora
Bamo bapo
Got this shit and I like what I hear boy
Wooo, that beat is off the chain man
Drop that shit for me one time
Just gimme that, let me hit it up real quick
Oh your mama sita
Es cool qba libre
Stand for production
Fui en dice
Vamos a pasar y en tu this weekend
Come on everybody let's get freaky
Con en te cuano
Let's off the heazy
Yeah like jeezy baby
Que, come on
Que, vamos
Que, come on
Que, vamos
God damn girl, look at your bueto bounce
And all my seÃ±oritas keep it low to the ground
God damn girl, I love the way you sway to the sound
Manelo, manelo round and round
God damn girl, you on fire like Ganga
Oh yeah mama, usar my life
God damn girl, you move like la salsa
Left right come on
Left right come on
Balante badra
