

# Hide U (Sisko Electrofanatik Remix)

Kosheen

If you were in my heart I'd surely not break you  
If you were beside me and my love would take you  
I'll keep you in safety forever protect you  
I'll hide you away from the world you rejected  
I'll hide you  
I'll hide you Take my hand, show no fear  
Look in my eyes, it's perfectly clear  
I'll love you and cover you, ask me to tell you what I wanna do  
I'll hide you away from danger, danger  
Hide you, hide you, hide you, hide you  
Hide you, hide you, hide you If you were in my heart I'd surely not break you  
If you were beside me and my love would take you  
I'll keep you in safety forever protect you  
I'll hide you away from the world you rejected  
I'll hide you, I'll hide you Take my hand, show no fear  
Look in my eyes, it's perfectly clear  
I'll love you and cover you ask me to tell you what I wanna do  
I'll hide you away from danger, danger  
Hide you, hide you, hide you, hide you  
Hide you, hide you If you were in my heart I'd surely not break you  
If you were beside me and my love would take you  
I'll keep you in safety forever protect you  
I'll hide you away from the world you rejected  
I'll hide you, I'll hide you If you were in my heart I'd surely not break you  
If you were beside me and my love would take you  
I'll keep you in safety forever protect you  
I'll hide you away from the world you rejected  
I'll hide you  
I'll hide you
