It's Happening

Number One Fan

Wait for the stars to change my fate.
Oh hell, it doesn't matter anyway.
Arriving home on saturday.
Oh well, you would've known anyway.You could not wait one more day.
It's happening.
I chose to stay much too late.
It's happening.I threw it away these past few days.
Oh hell, it wasn't even that great.
I love what you do but I hate what you say.
Oh hell, I was so lonely.You could not wait one more day.
It's happening.
I chose to stay much too late.
It's happening, it's happening.
You could not wait.
It's happening.
