

Trial by Fire (Femme Remix)

Puzzle

Hunted hounded
By wolves in human skin
Hated for loving
How can love be a sin
Let them brandish their flames
I'll stand my ground
Spend my life locked in chains
To spare you harm
I'd face a trial by fire for you
There's flames in paradise
I'd face a trial by fire for you
A trial by fire for you
Feel you trembling
Warm breath on my skin
Fear is fading
Your touch burns me clean
Let them brandish their flames
I'll stand my ground
Spend my life locked in chains
To spare you harm
I'd face a trial by fire for you
There's flames in paradise
I'd face a trial by fire for you
I'll be your sacrifice
Let the flames climb higher
Face a trial by fire for you
