

One time

Benjamin Wild

Aye, Aye, Aye, Aye, Aye, Aye, Aye, Aye

Me, plus you. (I'ma tell you one time)

Me, plus you

(One time, I'ma tell you one time)

Me, plus you

(One time, I'ma tell you one time)

(One time) one time, (One time) one time

When I met you girl my heart went knock knock
Now them butterflies in my stomach won't stop stop
And even though it's a struggle love is all we got
So we gonna keep keep climbin' to the mountain top

Your world is my world

And my fight is your fight

My breath is your breath

When you're hurt I'm not right (now I've got my)

[Chorus]

One love, My one heart, My one life for sure

Let me tell you one time

(girl I love, girl I love you)

I'ma tell you one time

(girl I love, girl I love you)

And I'll be your one guy

You'll be my number one girl

Always making time for you

I'ma tell you one time

(girl I love, girl I love you)

I'ma tell you one time

(girl I love, girl I love you)

You look so deep

You know that it humbles me

You're by my side and troubles -- they don't trouble me

Many have called but the chosen is you

Whatever you want shawty I'll give it to you

Your world is my world

And my fight is your fight

My breath is your breath
When you're hurt I'm not right (now I've got my)

[Chorus]

One love, My one heart, My one life for sure

Let me tell you one time

(girl I love, girl I love you)

I'ma tell you one time

(girl I love, girl I love you)

And I'ma your one guy

You'll be my number one girl

Always makin' time for you

I'ma tell you one time

(girl I love, girl I love you)

I'ma tell you one time

(girl I love, girl I love you)

Shawty right there

She's got everything I need

And I'ma tell her one time

(One time, one time)

Give you everything you need, down to my last dime

She makes me happy, I know where I'll be

Right by your side cause she is the one

[Chorus]

And girl you're My one love

My one heart my one life for sure

Let me tell you one time

(girl I love, girl I love you)

I'ma tell you one time

(girl I love, girl I love you)

And I'll be your one, guy

You'll be my number one, girl, always makin' time for you

I'ma tell you one time (one time)

I'ma tell you one time (one time)

Me, plus you. (I'ma tell you one time)

Me, plus you

(One time, I'ma tell you one time)

Me, plus you

(One time, I'ma tell you one time)

(One time) one time, (One time) one time
