

Love Me Or Let Me Go

Luis Fonsi

Baby, why you keep me hanging
On a thin line, taking your time?
I'd like to think that we're advancing
But I really don't know where this will go
Baby, give me a sign, throw me a line
Show me that it's time for us

CHORUS

Don't keep me in the dark--open up your heart
Tell me what I need to know
You can't make up your mind; you keep playing for time
Baby, love me or let me go

Why keep hiding your emotions?
Just say what you mean--don't go to extremes
All I need is your devotion
Faithful and true like I give to you
You're my elation, my salvation
You are my everything

REPEAT CHORUS

BRIDGE

Tell me what you're thinking
What secrets do you hold inside?
Why don't you just admit it?
The love you have is hard to hide

REPEAT CHORUS

Love me or let me go
Love me or let me go
Love me or let me go
Love me or let me go

REPEAT CHORUS

Baby, love me or let me go
